Introducing an Exciting New EPAT Brand:

The Ranch Fellowship

This year, we're thrilled to present the Ranch Fellowship, a new and exciting program, under the EPAT brand. This event that will alternate every other year with our original, traditional EPAT event.

The EPAT Ranch Fellowship has been designed as an immersive West Texas ranch residency for artists who, through a process open to all previous EPAT artists, were chosen by SAMFA to participate.

Ranch Life through the Eyes of Artists

This year's talented artists from throughout the United States are Carla Bosch, Katie Dobson Cundiff, Liz Bonham, and Suzie Baker. They will live and paint at area ranches for three weeks this summer and fall and capture the essence of West Texas ranch life with their own distinct vision, style, and palette. They'll conduct workshops, spend time with high school student in the fall, exhibit and sell their work, mix and mingle with art lovers and art-lovers-to-be, and celebrate the sponsors that make it all happen. This program is, as one artist put it, "groundbreaking" in the plein air universe.

We Invite You to be a Sponsor!

The monies raised with your sponsorship will support the many positive impacts of this program, SAMFA's mission and vision, and its educational efforts for the children of the Concho Valley. Also, your funding will advance San Angelo as a national arts destination and further secure recognition in the international plein air community.

Please see the EPAT Ranch Fellowship Events and Opportunities to find your perfect fit! We look forward to working with you!
