Recipient of the National Museum Service Award

JOIN THE COLLECTORS SOCIETY!

Every year, the Museum extends an invitation to our membership to join the Collectors Society. Through yearly dues, members of the Collectors Society assist the Museum in purchasing works of art. SAMFA has purchased numerous important works of ceramic art through the Collectors Society over the years, and also paintings of San Angelo-area scenes by renowned artists from *En Plein Air Texas!*

The SAMFA Collectors Society also hosts a lecture series every season. **This year, as we celebrate 20 years in our wonderful building, our lineup will include thought-provoking lectures designed around the theme of preservation.** Our next program, *The Hunt: Unconventional Methods of Putting Together a Texas Art Collection*, will be given on Thursday, January 16, 2020, by Mark Kever, an avid art collector who has served on the boards of CASETA (Center for the Advancement and Study of Early Texas Art), and TACO (Texas Art Collectors Organization).

Dues for membership in the Collectors Society are \$100 per person, per year. If you're already a member we urge you to renew – your continued support is always appreciated. If you've never been a member, now is the time to join. And, as always, only Collectors Society members will be invited to join the artists and sponsors at our Ceramic Invitational pre-party in the spring.

We have an exciting year planned. Please return the attached form with your payment to renew your membership with the Collectors Society, or to become a new member.
